

A Community Safety Project

# WASHINGTON COUNTY'S MOST WANTED

Show your support to keep our community safe with the 2013 edition of the highly anticipated Washington County's Most Wanted.

We are proud to partner with Washington County Sheriff, Sam Romano, and District Attorney, Gene Vittone, to create a publication that is designed to help locate and apprehend Fugitives from Justice.

This full color publication will feature Washington County's 10 Most Wanted as well as over dozens of other fugitives of the county. Reaching over 25,000 homes through the *Observer-Reporter* in Washington County, it will make it more difficult for fugitives to hide.

For more information contact your  
Observer Sales Consultant.
