

# YOUR OPINION MATTERS

As a mixed-use incubator, the Washington Area Business Incubator (WABI) will be open to many types of enterprises, whether they are high tech, no tech, service or product based businesses. The WABI's

mission is to foster new business formation and the growth of existing small firms with the ultimate goal of helping revitalize downtown Washington and all of Washington County.

Your input will help determine the program development for WABI with a specific focus on services needed, business ideas percolating, education needs, partnership opportunities, etc.
